Founded by Fr. Ralph W. Beiting, CAP is an interdenominational, non-profit Christian organization providing physical, spiritual and emotional support to people in need in Appalachia.

With the Sacred Heart Parish backing them, SH missionaries will travel to Appalachia as an outward sign of our Love for God, our Love for Others, and our desire to Make Disciples by the example of our community. **Every parishioner plays a vital role!**

- **Missionary!** Commit to give your time and energy to the work! Financial donation not required to participate. Only 24 slots available!!
- **Financier!** Commit to fund the mission and the good work of CAP!
- **Prayer warrior!** Commit to pray weekly or daily for mission success!! Start now!!!

Other than being adult or youth ages 14 and up, no particular skills are required of our missionaries, just a willingness to serve and be tired at the end of the day. We will assist in CAP's Housing Program or Elderly Housing Services. Work may include building or remodeling a home by installing/repairing floors, walls, hanging dry wall, installing doors and windows, Styrofoam insulation, installing vinyl siding and underpinning, building porches/handicap ramps or other repairs to insure a safe and warm home. For the individuals served, this is usually the only means they have to get the necessary repairs completed so they can remain in their home the remainder of their life. Work may also include needed repairs and maintenance to some of CAP's own facilities. We will arrive Sunday evening, stay in a CAP facility, and depart Friday morning. All meals are provided Monday morning through Friday morning.

Please fill out the form below and the Mission Ministry Team will contact you. Thank you for your support!!!
